Dear Parent/Guardian,

As the year draws to a close, we are already planning another year of teaching and learning at Cranbourne Carlisle Primary School and in support of this, we would like to advise you of our 2024 Voluntary Financial Contributions which has been set at \$170 per student. The attached table provides a breakdown of how this money will be allocated in 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all financial contributions are voluntary, assisting us in delivering a range of high-quality programs. The ongoing financial support of our families ensures that our school can offer the best possible educational experiences for our students. We want to say thank you for your assistance this year by helping our fundraising efforts, volunteering your time and attending whole school events, your support has had a positive impact on our school community and the programs we offer.

Across our school your voluntary financial contributions this year have allowed us to provide enhanced digital learning opportunities; upgrade our school grounds and provide teachers and students with essential teaching and learning resources, including art materials, STEM equipment, library and classroom books, sports and music equipment.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Sally Webb  
Principal

Darren Smith
